

**Alfalfa Leafcutting Bee Management / Alfalfa Seed Production
Research and Extension Publications - 2023**

D.W. Goerzen
Research Scientist

1. Publications in Scientific Journals

Goerzen, D.W. **1991**. Microflora associated with the alfalfa leafcutting bee, *Megachile rotundata* (Fab.) (Hymenoptera: Megachilidae) in Saskatchewan, Canada.
Apidologie 22: 553-561.

Goerzen, D.W., L. Dumouchel, and J. Bissett. **1992**. Occurrence of chalkbrood disease, *Ascosphaera aggregata* Skou, in a native leafcutting bee, *Megachile pugnata* Say (Hymenoptera: Megachilidae).
The Canadian Entomologist 124: 557-558.

Goerzen, D.W. and M.A. Erlandson. **2018**. Infection of the chalcid parasitoid *Pteromalus venustus* Walker (Hymenoptera: Pteromalidae) with the male-killing symbiont *Arsenophonus nasoniae* (Gamma-Proteobacteria: Enterobacteriaceae).
Journal of Invertebrate Pathology 154: 24-28.

Goerzen, D.W., M.A. Erlandson, and J. Bissett. **1990**. Occurrence of chalkbrood caused by *Ascosphaera aggregata* Skou in a native leafcutting bee, *Megachile relativa* Cresson (Hymenoptera: Megachilidae) in Saskatchewan.
The Canadian Entomologist 122: 1269-1270.

Goerzen, D.W., M.A. Erlandson, and K.C. Moore. **1990**. Effect of two insect viruses and two entomopathogenic fungi on larval and pupal development in the alfalfa leafcutting bee, *Megachile rotundata* (Fab.) (Hymenoptera: Megachilidae).
The Canadian Entomologist 122: 1039-1040.

Goerzen, D.W. and D.C. Murrell. **1992**. Effect of fall dichlorvos treatment for control of a chalcid parasitoid on viability of the alfalfa leafcutting bee, *Megachile rotundata* (Fabricius) (Hymenoptera: Megachilidae).
Bee Science 2: 37-42.

Goerzen, D.W., K.W. Richards, and G.H. Rank. **1995**. Drifting in populations of the alfalfa leafcutting bee, *Megachile rotundata* (Fab.) (Hymenoptera: Megachilidae).
Journal of Applied Entomology (Zeitschrift für Angewandte Entomologie) 119: 575-579.

Goerzen, D.W. and T.C. Watts. **1991**. Efficacy of the fumigant paraformaldehyde for control of microflora associated with the alfalfa leafcutting bee, *Megachile rotundata* (Fabricius) (Hymenoptera: Megachilidae).
Bee Science 1: 212-218.

Goettel, M.S., D.W. Goerzen, and G.M. Duke. **1997**. Pathogenicity of *Ascospaera larvis* Bissett to larvae of the alfalfa leafcutting bee, *Megachile rotundata* (Fabricius).
The Canadian Entomologist 129: 1059-1065.

Goettel, M.S., K.W. Richards, and D.W. Goerzen. **1993**. Decontamination of *Ascospaera aggregata* spores from the alfalfa leafcutting bee (*Megachile rotundata*) nesting material by fumigation with paraformaldehyde.
Bee Science 3: 22-25.

Lu, R., D.W. Goerzen, and G.H. Rank. **1996**. Use of RAPD analysis to distinguish immigrant bee species within populations of the alfalfa leafcutting bee, *Megachile rotundata* (Fabricius) (Hymenoptera: Megachilidae).
Bee Science 4: 30-37.

Lu, R., D.W. Goerzen, and G.H. Rank. **1996**. Use of RAPD analysis as a diagnostic technique for *in situ* identification of *Ascospaera aggregata* and *Ascospaera larvis* in larval cadavers of the alfalfa leafcutting bee, *Megachile rotundata*.
Journal of Invertebrate Pathology 68: 78-83.

Malhi, S.S. and D.W. Goerzen. **2010**. Improving yield in alfalfa seed stands with balanced fertilization.
Journal of Plant Nutrition 33: 2157-2166.

Mayer, D.F., J.D. Lunden, D.W. Goerzen, and B. Simko. **1991**. Fumigating alfalfa leafcutting bee, *Megachile rotundata* (Fab.), nesting material for control of chalkbrood disease.
Bee Science 1: 143-146.

Ong, M., N. Chomistek, H. Dayment, W. Goerzen, and D. Baines. **2020**. Insecticidal activity of plant powders against the parasitoid, *Pteromalus venustus*, and its host, the alfalfa leafcutting bee.
Insects 11 (6): 359 (20 pp. - published online June 09 2020).

Rank, G.H. and D.W. Goerzen. **1981**. Native leafcutting bee species and associated parasites in commercial hives in Saskatchewan, Canada.
Apidologie 12: 211-220.

Rank, G.H. and D.W. Goerzen. **1982**. Effect of incubation temperatures on emergence of *Megachile rotundata* (Hymenoptera: Megachilidae).
Journal of Economic Entomology 75: 467-471.

Rank, G.H., D.W. Goerzen, and J.H. Gerlach. **1989**. Crossed immuno-electrophoresis of major protein antigens during pupation of the leafcutting bee, *Megachile rotundata*.
Apidologie 20: 139-147.

Soroka, J.J., D.W. Goerzen, K.C. Falk, and K.E. Bett. **2001**. Alfalfa leafcutting bee (Hymenoptera: Megachilidae) pollination of oilseed rape (*Brassica napus* L.) under isolation tents for hybrid seed production.
Canadian Journal of Plant Science 81: 199-204.

2. Extension Publications

- Goerzen, D.W. **Leafcutting bee foliar moulds and producer health.**
Saskatchewan Agriculture & Food / Alfalfa Seed News Ext. Publ., 1 p.
(August, 1988).
- Goerzen, D.W. **Foliar moulds in alfalfa leafcutting bees.**
Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 0-88656-534-0), 4 pp.
(December, 1989).
- Goerzen, D.W. **Paraformaldehyde fumigation of alfalfa leafcutting bee nest material.**
Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 0-88656-556-1), 2 pp.
(February, 1992).
- Goerzen, D.W. **Alfalfa leafcutting bee moulds and methods for their control.**
Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 0-88656-586-3), 4 pp.
(March, 1992).
- Goerzen, D.W. **Paraformaldehyde fumigation for surface decontamination of alfalfa leafcutting bee cells.**
Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 0-88656-577-4), 2 pp.
(October, 1993).
- Goerzen, D.W. **Alfalfa leafcutting bee mortality associated with use of dichlorvos for chalcid parasite control.**
Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 0-88656-636-3), 4 pp.
(February, 1995).
- Goerzen, D.W. **Microorganisms associated with the alfalfa leafcutting bee and their potential impact on producer health.**
Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 0-88656-625-8), 4 pp.
(May, 1995).
- Goerzen, D.W. **New alfalfa leafcutting bee incubator design for optimizing parasite control.**
Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 0-88656-730-0), 2 pp.
(February, 2001).
- Goerzen, D.W. **Alfalfa leafcutting bee parasite control with pyrethrin aerosols.**
Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 0-88656-732-7), 2 pp.
(September, 2002).
- Goerzen, D.W. editor / **Alfalfa leafcutting bee management and alfalfa seed production manual.**
Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 0-88656-694-0), 925 pp.
(June, 2007).
- Goerzen, D.W. **Chalkbrood disease in alfalfa leafcutting bee populations.**
Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 0-88656-728-9), 2 pp.
(revised October, 2016).

- Goerzen, D.W. **Stored product pests in Saskatchewan alfalfa leafcutting bee populations.**
Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 0-88656-720-3), 2 pp.
(*revised* November, 2016).
- Goerzen, D.W. **Alfalfa leafcutting bee management and alfalfa seed production manual update.**
Sask Leafcutters Association Ext. Publ., 56 pp. (February, 2017).
- Goerzen, D.W. **Preliminary evaluation of essential oil compounds and volatile organic compounds to determine safety to alfalfa leafcutting bees / efficacy as chalcid parasite control agents.**
Sask Leafcutters Association Newsletter Vol. 30 (1): 3 pp. (February, 2017).
- Goerzen, D.W. **Evaluation of anti-microbial compounds for alfalfa leafcutting bee safety and for efficacy in controlling *Ascospaera* species and related microflora.**
Sask Leafcutters Association Newsletter Vol. 30 (1): 2 pp. (February, 2017).
- Goerzen, D.W. **Currently registered herbicides for use in seedling alfalfa and in established alfalfa grown for seed production - 2022.**
Sask Leafcutters Association Ext. Publ., 2 pp. (November, 2022).
- Goerzen, D.W. **Fall and winter management of alfalfa leafcutting bees - 2022.**
Sask Leafcutters Association Newsletter Vol. 35 (2): 3 pp. (November, 2022).
- Goerzen, D.W. **Alfalfa leafcutting bee parasite & disease control FAQ (May 2023).**
Saskatchewan Alfalfa Seed Producers Development Commission
Ext. Publ., 6 pp. (May, 2023).
- Goerzen, D.W. **Alfalfa insect pest management FAQ (2023).**
Saskatchewan Alfalfa Seed Producers Development Commission
Ext. Publ., 3 pp. (May, 2023).
- Goerzen, D.W. **Alfalfa disease management FAQ (2023).**
Saskatchewan Alfalfa Seed Producers Development Commission
Ext. Publ., 4 pp. (May, 2023).
- Goerzen, D.W. **Alfalfa leafcutting bee incubation calendar - 2023.**
Sask Leafcutters Association Newsletter Vol. 35 (1): 1 pp. (May, 2023).
- Goerzen, D.W. **Chalcid parasite control in alfalfa leafcutting bee populations - 2023.**
Sask Leafcutters Association Newsletter Vol. 35 (1): 2 pp. (May, 2023).
- Goerzen, D.W. and S.C. Mueller. **Alfalfa leafcutting bee alternative crop pollination research in central California.** Proc. SASPA 2005 Saskatchewan Alfalfa Seed Conference (Saskatoon, SK), **January 13-14, 2005 (pp. 19-23)**; D.W. Goerzen, editor.
- Goerzen, D.W. and J.J. Soroka. **Insect pest management in alfalfa grown for seed production - 2023.**
Sask Leafcutters Association Newsletter Vol. 36 (1): 8 pp. (May, 2023).

Murrell, D.C. and D.W. Goerzen. **Chalkbrood control in alfalfa leafcutting bees.**

Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 0-88656-598-7), 4 pp.
(April, 1994).

Murrell, D.C. and D.W. Goerzen. **Alfalfa seed and leafcutting bee production in Saskatchewan.**

Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 8-88656-669-X), 11 pp.
(revised September, 2001).

Soroka, J.J. and D.W. Goerzen. **Alfalfa weevil and other legume weevils in Saskatchewan.**

Saskatchewan Alfalfa Seed Producers Association Ext. Publ. (ISBN 0-88656-715-7), 2pp.
(revised December, 2016).
